4. Reports

There were no reports from TFW or from Network Rail. The meeting was concerned that again there was not report from TFW. The secretary is to follow this up.

The meeting held in Shrewsbury with TFW proved to be of little value with some present spending more time on ‘insignificant’ items rather than the timetabling which was the point of the meeting.

The meeting planned to be at 1pm with Colin Lee of TFW has been cancelled. A new date is to be set.

5. Timetable changes

The meeting noted the following:

The consultation has been completed supporting the Llandudno service to Liverpool and the Holyhead service to Manchester Piccadilly.

Objection to Cambrian Coast reductions in services.

Seeking 1630 service to Aberystwyth from Shrewsbury. (TFW agreed to look at this.

Meeting with Colin Lee still awaited. Taking too long – meeting now being sought with CEO of TFW with Russell George and the Association.
