Reforming Local Government: Power to Local People Consultation Survey (Full)

Overview

The White Paper 'Reforming Local Government: Power to Local People' is the Welsh Government's statement of intent about the future of Local Government in Wales.

The White Paper sets out the Welsh Government's proposals for reform in the following fields: local democracy, the roles and remuneration of Elected Members and senior officers, community governance and Community Councils, community rights, corporate improvement, service performance, scrutiny, audit, inspection and regulation, and finance.

How to respond or for further information

This consultation covers a large number of matters. Many are of interest to the general public but some are technical in nature and may only be of interest to Local Authorities. We have designed a web-based questionnaire in order to make both collecting and analysing responses easier.

You may choose to address all the issues raised by this White Paper or to complete a shorter version of the questionnaire which focuses on the main matters of public interest. You will be able to choose your preferred option when you start the questionnaire. A word version is also available but we strongly encourage respondents to use the online questionnaire.

To respond to the consultation please either complete the online form or request the accompanying questionnaire and return it

either by email to

Further information and related documents

This document is also available in a shorter, plain English version and a youth friendly version on the Welsh Government website.

Large print, Braille and alternative language versions of this document are available on request.

Data protection

How the views and information you give us will be used:

Any response you send us will be seen in full by Welsh Government staff dealing with the issues which this consultation is about. It may also be seen by other Welsh Government staff to help them plan future consultations.

The Welsh Government intends to publish a summary of the responses to this document. We may also publish responses in full. Normally, the name and address (or part of the address) of the person or organisation who sent the response are published with the response. This helps to show that the consultation was carried out properly. If you do not want your name or address published, please tell us this in writing when you send your response. We will then blank them out.

Names or addresses we blank out might still get published later, though we do not think this would happen very often. The Freedom of Information Act 2000 and the Environmental Information Regulations 2004 allow the public to ask to see information held by many public bodies, including the Welsh Government. This includes information which has not been published. However, the law also allows us to withhold information in some circumstances. If anyone asks to see information we have withheld, we will have to decide whether to release it or not. If someone has asked for their name and address not to be published, that is an important fact we would take into account. However, there might sometimes be important reasons why we would have to reveal someone's name and address, even though they have asked for them not to be published. We would get in touch with the person and ask their views before we finally decided to reveal the information.

This is the consultation survey linked to the document *Reforming Local Government: Power to Local People*. It asks some initial questions to establish if you are an individual, a representative body or another type of organisation. It then goes on to ask questions related to themes within the White Paper. Some questions are yes/no, some ask you to express your agreement with a proposition along a 5-point scale, and some ask for your views and give a box in which to provide your thoughts.

Chapter 2: Balancing the Responsibilities of National and Local Government

Chapter 2 discusses the relationship between the different spheres of government in Wales and how this has developed since devolution in 1999. It clarifies the role of the Welsh Government as providing leadership, setting standards and defining a limited number of national expectations. It also examines the role of Local Government as an agent of change in their local areas, in their relationships with other public services and at the regional level, particularly city regions.

Status of Reformed Authorities					
	Yes	No	Don't Know		
2.1 Do you think all Local Authorities in Wales should be known as Counties?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
2.2 If no, what is your reasoning to allow other titles for reformed Authorities? <i>It aids public understanding if there were a single title.</i>					
	Yes	No	Don't Know		
2.3 Do you think Local Authorities should be able to nominate the chair of the Council as a Mayor?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
General Power of Competence					
	Yes	No	Don't Know		
2.4 Should Local Authorities in Wales be granted a general power of competence?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
2.5 If yes, should there be any constraints on it? <i>Local Authorities should be able to carry what activities they think best for their electorate without interference.</i>					
Deregulation and Contracting Out Act					
	Yes	No	Don't Know		
2.6 Should the provisions of the Deregulation and Contracting Out Act 1994, as they apply to Local Authorities, be reviewed?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
2.7 Do you have any issues you wish to raise with regards to Deregulation and Contracting Out? <i>No.</i>					
Local Authority Constitutions					
2.8 Can you identify any specific areas of official procedure which might be changed in order to make the operation of Local Authorities more agile, open and transparent? <i>The main issued with principle authorities is the time taken to complete any piece of work. There should be targets for completion of activities which are published.</i>					
To what extent do you agree or disagree with the following statement:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
2.9 <i>Local Authorities should set out in plain language their values and the principles they will use to operate in their constitution</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.10 <i>Local Authorities should set out how they intend to build a relationship with their communities</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Legislative burdens and review of Local Government Legislation					
To what extent do you agree or disagree with the following statement:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
2.11 <i>There is merit in reviewing the body of legislation relating to Local Government administration with a view to longer term consolidation and simplification</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.12 Do you have any other proposals for extending the powers or functions of Local Government which should be considered? This is supported as long as it does not lead to expenditure on committees and meetings leading to no change.					

Chapter 3: Renewing Democracy

Chapter 3 sets out the need for greater clarity in the roles and responsibilities for the leader, Cabinet members, elected members and the chief executive officer. It also sets out the benefits of improving diversity of Councillors. We also discuss the need to reduce the cost of politics and management in Local Government and to bring more consistency to the appointment and remuneration of senior officers.

Local Government Elections						
	4 years	5 years	Don't Know			
3.1 What should be the cycle of elections to Local Authorities in Wales?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>			
	Yes	No	Don't Know			
3.2 Should Local Authorities elect Members on a rolling basis, for example by thirds?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>			
3.3 If yes, how would this best operate in practice? A rolling programme of 1/3 would only work if there were 3 or 6 year terms. Three is too short and six too long. If a rolling programme was to work it should be ¼ with a 4 year term of office..						
Defining the Roles and Responsibilities of the Leader						
To what extent do you agree or disagree with the following statements:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree	
3.4 Where a candidate is seeking to become the Leader of a Council they should produce a written manifesto setting out what they intend to achieve	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
3.5 Where a candidate is seeking to become the Leader of a Council they should present this manifesto orally to the Council before the election takes place	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
3.6 The Leader of a Council should produce an annual report setting out the achievements delivered against the manifesto	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
	Yes	No	Don't Know			
3.7 Should the roles, responsibilities and duties of Leaders/ Elected Mayors be defined in legislation?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>			
3.8 Should the Leader be required to set objectives for Cabinet Members?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>			
3.9 Should the Leader be required to set objectives for the Chief Executive?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>			
3.10 Should these objectives be made public?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>			
3.11 Should the Leader be required to produce a report to full Council on the achievement of these objectives?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>			
3.12 Are there any other generic duties that should be included in the role of the Leader? The questions 3.11 and 3.12 are leading and assume that question 3.8 and 3.9 are answered yes. The objectives should not be set by one person but by consensus by the Cabinet combined and supported by the Full Council.						
Defining the Roles and Responsibilities of Cabinet Members						
	Yes	No	Don't Know			
3.13 Should the generic roles, responsibilities and duties of Cabinet Members be defined in legislation?	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>			

3.14 What generic duties should be included in the role of a Cabinet Member? The cabinet posts should reflect the needs of any particular area and should not be a 'one size fits all'. For example Cardiff is very different to rural Powys or Snodonia.

3.15 <i>There should be greater consistency in the number of Cabinet posts in the reformed Local Authorities</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
3.16 Should the maximum number of Cabinet Members serving on a Local Authority (currently 10) be reduced?				Yes	No	Don't Know
				<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3.17 What should be the maximum number of Cabinet Members?				Not applicable.		
3.18 What is the reason for your suggestion? There should be no restrictions, it is up to each authority to decide how many cabinet members are needed to address the issues of their own individual area.						
To what extent do you agree or disagree with the following statements:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree	
3.19 <i>Some Cabinet posts should be considered as 'Deputy' or 'Junior' positions as an opportunity to develop a wider cadre of future political leaders</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
3.20 <i>'Deputy' or 'Junior' posts should be considered as part time positions to reflect a lower level of responsibility</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
3.21 Should the public service Academi be asked to look at a development programme to support future political leaders?				Yes	No	Don't Know
				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.22 What do you think the Public Service Academi development programme look like? Training should be on procedures and law (similar to the Town and Community Councils Working with your Council. The papers presented to Councillors for a decision on each subject should be written in such a way that both they and the public can understand them. Too many complicated and unnecessarily long documents.						
Defining the Roles and Responsibilities of Elected Members						
3.23 Should the generic roles, responsibilities and duties of Elected Members be defined in legislation?				Yes	No	Don't Know
				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

3.25 Regular surgeries				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.26 Participation in Community Governance				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.27 Participation in committees				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.28 Attending core training skills sessions				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Standards Committees					
To what extent do you agree or disagree with the following statement:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
3.31 <i>The powers of Standards Committees should be enhanced to enable them to consider cases where there is a allegation of a Councillor failing to fulfil their duties satisfactorily</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.32 If you agree, how should their powers be enhanced? The powers should include a warning, final warning and imposing the recall procedure as a last resort.					
3.33 What sanctions might there be for Councillors failing to fulfil their duties satisfactorily? See 3.32 above					
				Yes	No
3.34 Where internal processes have failed to operate satisfactorily should there be a role for an independent body?				<input checked="" type="checkbox"/>	<input type="checkbox"/>
3.35 If yes, in what circumstances should they be involved? Only in the case of appeals by the Councillor against any decision.					Don't Know
3.36 Who do you think would be best placed to undertake this role? A group of lay people with experience in the field of appeals.					
Recall					
To what extent do you agree or disagree with the following statements:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
3.37 <i>There should be a system by which the public could recall a councillor during their term of office and trigger a by election</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.38 How might this work in practice? If a Town or Community Council or a group of members of the public are concerned they can call a public meeting to discuss the issue with a vote at the end of such meeting. The numbers required at such a meeting must be in line with the recall rules.					
Equality and Diversity					
To what extent do you agree or disagree with the following statements:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
3.39 <i>Leaders should be placed under a duty to have regard to diversity when appointing their Cabinet</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.40 <i>Where it is not possible to put forward a diverse Cabinet, Leaders should consider co-opting members to provide advice and support decision making</i>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3.41 If you are supportive of co-opting on Cabinets how would this best work in practice? The Association is not in support of co-option but elected representatives.					
3.42 How should Group Leaders be required to consider diversity? By way of parties, areas and gender along with a balance of experience..

3.46	<i>Devolved public service organisations should be required to release staff to serve as Community Councillors</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.47	<i>All organisations (public, private and third sector) should be encouraged to release staff to serve as Councillors</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

3.70	<i>There should be greater consistency in the number of senior officer posts in the reformed Local Authorities</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Senior Officer Appointments							
To what extent do you agree or disagree with the following statements:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree		Strongly Disagree	
3.75 <i>There should be greater consistency in the appointment process of senior officer posts (including Chief Executive posts) in the reformed Local Authorities</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
In order of preference, which of the following do you believe to be most appropriate mechanism to support senior officer appointments:				1st	2nd	3rd	4th
3.76 A Public Sector Appointments Commission would ensure all senior officers had the right leadership skills and competencies. Senior officers would be employed on a common basis and posted to an organisation, individuals would be moved across the public service as demand required (similar to the New Zealand case study).				<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3.77 A Public Sector Appointments Commission would ensure all senior officers had the right leadership skills and competencies. Local Authorities would then make appointments from the pool of approved candidates.				<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
3.78 A Common Assessment Framework and process to establish a consistent approach to the appointment of senior officers. Local Authorities would have responsibility for making appointments of senior staff.				<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.79 Other				<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3.80 What other mechanism do you think should be used to support senior officer appointment? Local authorities should be able to appoint senior officers dependent upon their needs. Any restrictions would be a 'one size fits all' which does not work.							

Chapter 4: Connecting with Communities

Chapter 4 sets out our vision for a new relationship between local communities and Local Government in Wales, where larger Authorities are closer to their communities than is the case at present. This includes discussion of the role of Elected Members in leading this. We also discuss the need to raise the ambition of Community Councils so they are better placed to deliver important community services in the future. This means building their capacity and capability, as well as strengthening their governance and engagement with other services and the third sector.

Member Led Community Governance					
To what extent do you agree or disagree with the following statements:	Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
4.1 <i>Local Authorities should develop, adopt and implement a neighbourhood management or similar approach to engaging with citizens to identify, prioritise and address particular local issues</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.2 <i>An inclusive and participative neighbourhood or area approach, led by Elected Members, is a model of community governance which should be adopted by all Local Authorities in Wales</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.3 <i>Community bodies, the third sector or other public services should have an equal place in neighbourhood area approaches</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.4 <i>Local Authorities should have responsibility for how community governance is designed in their area</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.5 <i>Member-led community governance is an essential part of local democracy</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4.6 <i>Communities which will be identified under the Well-being of Future Generations (Wales) Bill should form the basis for Local Authorities' Member-led Area Boards in the future</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Chapter 9: Finance

Chapter 9 discusses the way Local Government is funded and how this will need to change to support the reforms outlined in the White Paper in the shorter term, and also the need for a more fundamental review of the system in the longer term.

Our vision						
9.1	<p>What are your views on the proposed phased approach, where we intend to make the necessary changes needed to effect mergers and the reforms set out in this paper in the short term, and consider more fundamental changes to the system in the longer term?</p> <p><i>The sooner uncertainty is removed the better. The contents of this paper have been discussed over several years already and should now be actioned as soon as possible.</i></p>					
9.2	<p>What specific features do you think a new financial framework for Local Government should exhibit?</p> <p><i>Public accounts which are presented in a way that the lay person can understand and identify with.</i></p>					
9.3	<p>What specific aspects of the existing local taxation system could be simplified? (The existing local taxes are council tax and non-domestic rates.)</p> <p><i>The existing taxation system of both Council Tax and Business Rates is unfair. The Council Tax should be removed in its current form and replaced with a much lower taxation level via income tax for County Councils leaving only the Community Council Tax in place. The current business rates system should be removed and replaced with a tax on profits or turnover which will reflect more fairly with regard to the ratepayers..</i></p>					
General revenue funding – distribution						
To what extent do you agree or disagree with the following statements:		Strongly Agree	Agree	Neither Agree or Disagree	Disagree	Strongly Disagree
9.4	<i>The distribution of central funding should take account of the relative need of each Local Authority, based on the demographic, social and economic characteristics across Wales</i>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9.5	<i>The distribution of central funding should take account of the ability of each Local Authority to raise income from local taxpayers</i>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9.6	<p>What would you change about the existing funding distribution mechanism to promote greater flexibility?</p> <p><i>The funding distribution to rural areas is not fair and there needs to be a more equitable way of such distribution.</i></p>					
9.7	<p>What would you incorporate into a future funding distribution mechanism to promote greater flexibility?</p> <p><i>Budget proposals should be presented to the Welsh Government for consideration so that awards are not just based upon population (albeit adjusted).</i></p>					
Financial Governance						
9.8	<p>How do you think Local Authorities could engage more effectively with residents before determining their spending priorities?</p> <p><i>By holding sensible public consultations with clear and concise information which the lay person can understand.</i></p>					
9.9	<p>How do you think information about the results from engagement exercises could be made available to residents?</p> <p><i>By issuing both paper based booklets and web based information with clear and concise information which the lay person can understand</i></p>					
9.10	<p>How can we ensure financial plans are robust, strategic and sustainable?</p> <p><i>Professionalism and ensuring that all information is clear and concise so that lay persons can understand what is put forward to them.</i></p>					

9.11 What financial information should Local Authorities publish?

Incomes and expenditure for each delivery sector using around pie chart The sectors should also be presented in such a way as the lay person can understand what is covered in each sector..

9.12 How can Local Authorities ensure the information is transparent and clear for people to understand?

Any other comments

9.13 Are there any other issues we should consider as part of our programme of Reforming Local Government in Wales, for example matters relating to policy, legislation or implementation?

The following are additional comments:

Reference 4.30 and 4.31:

In law no individual Town or Community Councillor has any power more than another. The idea of a single Councillor (Mayor or Leader) setting targets for anything is flawed. The Full Council should approve a programme for the Council and the Town Clerk together.

Reference 4.15

In the view of the respondent support is given to enlarging Town and Community Councils but not on a common basis. The Town and Community Councils should be given the first opportunity to decide upon who is clustered with who. Only in the case of disagreement should the Principle Authority take the lead.

The respondents are prepared to give oral evidence to the relevant Welsh Government Committee if it was felt this would be of advantage to the process of consultation.
